A major event in observance of the centennial celebration of the Philippine Civil Service, the Congress has for its theme: *100 Years of Service: Philippine Civil Service at its Best, Mamamayan Muna*. The Congress aims to provide government workers a venue to:

1. Assess the performance of the civil service in the last two decades;

3. Gather insights and learning from experiences and innovative practices shared by experts and co-workers; and
4. Draw up meaningful policy recommendations to strengthen the collaboration and partnerships between and among government workers and executives in improving delivery system.

The four major areas of discussion are: Personnel Relations and Welfare Development, Public Accountability, Professionalizing the Bureaucracy, and Best Practices and Innovations.

Considering the significance of this event, heads of agencies are enjoined to send one participant representing the rank and file or employees association or union and one participant representing the management. Participants are authorized to attend the Congress on official business.

The registration fee is Two Thousand Pesos (P2,000.00) per participant, inclusive of lunch, snacks, and materials. Because of limited accommodation, acceptance of participants will be on a first come, first served basis.
