Promulgated: 13 NOV 2013

RESOLUTION

WHEREAS, it is a declared policy of the State to uphold the people's constitutional rights to life, health, safety and property and to promote the general welfare of its people at all times, especially during disasters and calamities;

WHEREAS, Section 3, Article IX-B of the 1987 Philippine Constitution provides that the Civil Service Commission, as the central human resource institution of the Government, shall adopt measures to promote morale, efficiency, integrity, responsiveness, progressiveness, and courtesy in the civil service;

WHEREAS, the Civil Service Commission is authorized under Section 12 (3), Chapter 3, Title I-A, Book V of Executive Order No. 292 (Administrative Code of 1987), to promulgate policies, standards and guidelines to promote economical, efficient and effective personnel administration in the government;

WHEREAS, Typhoon Yolanda has caused unimaginable devastation in various areas of the country, leaving thousands dead, millions of families displaced and communities destroyed;

WHEREAS, the Civil Service Commission issued Memorandum Circular No. 2, s. 2012 which provides for a 5-day emergency leave to government employees affected by natural calamities/disasters, but which leave may not be enough to address the situation obtaining in the areas devastated by Typhoon Yolanda;

WHEREAS, in recognition of the need of government personnel affected by the said typhoon to have time to begin the process of recovery and rehabilitation and of the need to resume the delivery of government services, the Civil Service Commission deems it necessary to address the concerns of government personnel in relation to the performance of their official functions;

WHEREFORE, the Commission **RESOLVES** to provide alternative work arrangements for affected government employees, as follows:

1. Government employees in the areas severely affected by Typhoon Yolanda may be exempted from work, with pay, to commence from the first working day following the onslaught of the typhoon until such time that conditions in the area have normalized or as may be determined by the head of agency;

In a Race to Serve: Responsive, Accessible, Courteous and Effective Public Service

Heads of government agencies in the affected areas shall take full responsibility for the grant of work exemption, including the period covered and verification of the employee's eligibility to be granted thereof;

For this purpose, concerned government personnel should make known to their agency heads that they would seek exemption from work;

2. In instances wherein operations may be immediately restored, albeit partly, agency heads may require employees to work on rotation basis to help in restoring their agency's operations or to help in relief and rehabilitation efforts in the area;
3. In instances wherein it is physically impossible for employees to resume work in their designated stations (e.g. offices/work stations completely destroyed), employees may be temporarily assigned to work in the nearest regional/field office or attached agency or to other agencies in the area, upon coordination with concerned agencies, to help in the immediate restoration of public services for the people;
4. Heads of agencies shall take steps to properly record work arrangements adopted for their personnel; and,
5. Any and all issues arising from the implementation of this resolution shall be directed to the CSC Regional Office concerned.

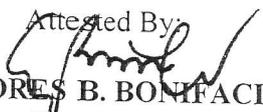

This resolution shall take effect immediately, and shall remain in force until revoked by the Commission.
