ANNOUNCEMENT

FOR : HEADS OF CONSTITUTIONAL BODIES, DEPARTMENTS, BUREAUS AND AGENCIES OF THE NATIONAL GOVERNMENT, LOCAL GOVERNMENT UNITS, GOVERNMENT-OWNED OR CONTROLLED CORPORATIONS WITH ORIGINAL CHARTERS, AND STATE UNIVERSITIES AND COLLEGES

SUBJECT : 2022 International Coastal Cleanup Day

Presidential Proclamation No. 470 s. 2003, declares the third Saturday of September of each year as International Coastal Cleanup (ICC) Day. ICC Philippines, the National Coordinator of ICC in the Philippines, is inviting government agencies to join the 2022 ICC Day to raise awareness of the marine debris problem.

ICC Day is a global event that unites countries and people with one common goal: to show concern for the growing marine debris problem by removing trash/debris along shorelines, rivers, lakes, and waterways and gathering data on the kind and volume of trash collected.

All government agencies are encouraged to extend full support by conducting and/or active participation in ICC-related activities. For this year's set date of 17 September 2022, the cleanup timeframe will be expanded from August until 31 December 2022 to limit the volume and physical contact among volunteers.

For more information, agencies may coordinate with Mr. Geronimo P. Reyes, ICC National Coordinator, at mobile number 0917-6840930 or email at gerrypreyes@gmail.com. Government Agencies may also visit the ICC Philippines website at <https://sites.google.com/site/iccphilippines/> for further details.
